

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Authorize City Manager to Submit State Transportation Enhancement Activities (TEA) Applications to Caltrans

MEETING DATE: August 18, 1999

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the City Manager to submit Transportation Enhancement Activities (TEA) Project applications to Caltrans.

BACKGROUND INFORMATION: The City of Lodi Public Works Department recommends submitting two TEA applications for landscaping to Caltrans for the following projects in order of priority:

1. Highway 99 Landscaping (Total Project Cost: \$1,020,000)

This allows for improved landscaping (trees and groundcover, including irrigation) at the freeway interchange islands at Highway 99/Turner Road, Highway 99/Victor Road, Highway 99/Century Boulevard/Cherokee Lane, and Highway 99/Harney Lane.

2. Kettleman Lane Median and Embankment Landscaping (Total Project Cost: \$105,000) (from Hutchins Street to Ham Lane and underpass)

The median is being constructed as part of the Kettleman Lane (Highway 12) and Crescent Avenue Traffic Signal/Median Project. At the underpass, we're asking for replanting of the ice plant lost in the last freeze.

There is a possibility that these two projects may be submitted as one application.

FUNDING: Not applicable.
